On Leadership Series: Volume I (1996-1999)

Inspiration, Ideas, and Innovations for Nurse Leaders

To celebrate its Silver Anniversary of advancing nursing leadership in health care, ***Nursing Economic$****, The Journal for Health Care Leaders,* is proud to present **Volume I** of the **On Leadership Series.** Written by leadership and nursing visionary **Karlene Kerfoot, PhD, RN, FAAN,** the 20 articles in this 40-page volume provide valuable and timeless inspiration, ideas, and innovations for nurse leaders. Dr. Kerfoot's management and leadership columns have been a popular mainstay in the journal for nearly 2 decades. Volume I is an easy-to-read, information-packed resource teeming with proven leadership tips and practical methods for implementing them into your practice. (Volume II will be published in 2008.)

The **On Leadership Series: Volume I** includes:

- The Change Leader
- World Class Excellence
- Leadership – The Courage to Care
- Glue: The Essence of Leadership
- Leadership: Believing in Followers
- Leadership Principles: Lessons Learned
- Leadership: When Success Leads to Failure
- The People Side of Transformations
- Creating Trust
- Leading Change Is Leading Creativity
- Management Is Taught, Leadership Is Learned
- The Strategic Use of Humility
- Micro-Managing or Leading: The Clinician's Challenge
- The 'Me' Disease
- Creating the Forgetting Organization
- From Mechanical to Integrated Organizations: The Leader's Challenge
- The Art of Leading with Grace
- The Culture of Courage
- The New Millennium and Leadership: Evolution or Entropy?
- The New Nursing Leader for the New World Order of Health Care
